

Republic of the Philippines  
Mindanao State University-

20 book paper must be used.

2.

Manuscripts must be printed in portrait mode. Landscape mode is not allowed except for accommodating unusually large tables, illustrations and the like.

To provide allowance for trimming during binding and to adjust to the size of paper, the following margins will be observed:

Top margin: 2 (top page)  
Bottom margin: 1.2

The manuscript, including the abstract, acknowledgment, vita, must be  
This must be observed consistently throughout the  
manuscript.

The (APA) citation style, both for in-text and list of references, will be used for theses, dissertations and special projects. Please see attached (APA Citation Style) for specific instructions. Also, the attachment will soon be downloaded in the SGS website.
